Dear Members, Prospective Members and Respected Guests,

The very word, “Spring” electrifies our mind, body and soul. And we take a leap from this concept to renew, reinvigorate and reshape our chosen tracks of personal and professional gratification. While we cruise on our American life-style, we are equally concerned to build our childrens’ future on the rich cultural mosaic from our country of birth and harmoniously blend it with the values of our country of adoption. In her own humble way Tricity India Association has played a significant role in the architecture of our lives in the US.

Every year our children sing, dance and choreograph their character in shades and colors from our literature, music and philosophies at the “Spring Festival” stage. As they grow and transit from academics to professions they come back to echo the positive part played by TRICIA in their lives.

Year after year the Spring Festival has attracted not only our community members but we now find an intellectual curiosity in the mainstream who are willingly and happily drinking from this pond of ethnic diversity. The range of booths from cuisine to costumes, from food to fashions, from mehendi to masalas, Spring Festival wraps all of us in a nostalgic garb. Walking down this memory lane we look forward to the next year of productivity, purpose and peace.

Jai Hind!

The Guru Nanak

Our Sikh Gurus have shown us an "akhand path" of peace and tranquility. We took the first step to establish the first Gurudwara of Nanak Darbar of Albany, NY over a picturesque 2.5 acres of land for our community. Easy access from Montreal, New York City, Syracuse, New Jersey, Vermont and Boston.

GND inspires our future generation by conducting Divans on Gurbani, teaching of Punjabi language and the value of Langar. Coaches them to balance roti and ravioli and learn gurmat and grammar at the same time. So that they are Americans and Sikhs of great character.
